

SUNSHINE SCHOOL

Welcome to Sunshine School! Our philosophy is to create a friendly and supportive atmosphere where children feel encouraged to develop new skills, enhance their talents, and establish positive lasting relationships with peers and staff. Our programming and supportive environment encourage children to participate in activities and experiences planned to benefit them academically, emotionally, physically, and socially.

Special emphasis is placed on establishing a child's self-esteem and confidence. We do this by designing our programs to cover a wide range of age-appropriate activities that foster our core character values: caring, honesty, respect, and responsibility.

Our staff is chosen for their sensitivity, dedication, and love for working with children. Each day, we bring experience and extensive training to Sunshine, providing your child with quality programming, guidance, and character development.
