DAILY ACTIVITIES

ACADEMIC ENRICHMENT

Sunshine Summer Program provides a safe, interactive, and enriching space for children from pre-kindergarten to 12th grade. Each day, students will practice next level education (in preparation for the school year in Fall 2024). A Sunshine workbook is required for all students attending the Summer Program for three weeks or more.

AWESOME ACTIVITIES

Children will participate in various crafts and activities that are available based on the Summer Program Weekly Themes (see schedule). Extracurricular classes such as Soccer, Kung Fu, Zumba, Chess, Competitive Math, Reading, Spanish, and Clay Art will begin in the second week of our Summer Program (registration will be available in June).

FREE BREAKFAST, LUNCH, AND SNACK

Breakfast is served from 9:30 to 10:00 AM. Afternoon snack is served around 3:00 to 3:30 PM, depending on your child's grade. Breakfast and snacks consists of waffles, cereal, fruit, crackers, and other delicious and nutritious munchies. For lunch, children can either bring their own lunch from home or enjoy a hot lunch provided by Sunshine School. Sunshine School does not provide a special menu to children with special diets. If your child has any dietary restrictions or is allergic to certain foods, it is a safer option for them to bring their own snacks and lunches to school.

OUTDOOR PLAY

Outdoor playtime is great for healthy development. It enables children to enjoy unstructured play and have a fun release of energy! Our field trips and on-site events will provide alternative educational opportunities for children.
