5:00 – 5:30			Hip-Hop 		
5:30 – 6:30	Outdoor Group Activities			Outdoor Group Activities	

Homework time: Classrooms are quiet rooms. Do not run, eat or talk at quiet rooms. First hour is absolute quiet time. If you have question, please skip. When staff is ready to answer questions, they will call you to staff desk one by one. Ask all questions together when they are ready to help you. You are not done until you have completed your school work and Sunshine work. If you have completed your works and have no question, please quietly place your work at Staff desk for review.

Family Movie and Computer time: We encourage children to participate in all group activities. However if your family has its own Family Movie day or your family is absolutely against computer usage, you can be placed on Movie and Computer Exclusion List. Instead of these activities, you can do quiet activities.

Enrichment Programs: Soccer, Hip-Hop, Ballet/Tap, and Art Class are optional enrichment programs. Fees are paid directly to the instructors. Sunshine School provides the facility for Soccer and Art classes. We transport Hip-Hop and Ballet/Tap students to the dance studio.
