

Welcome to Sunshine

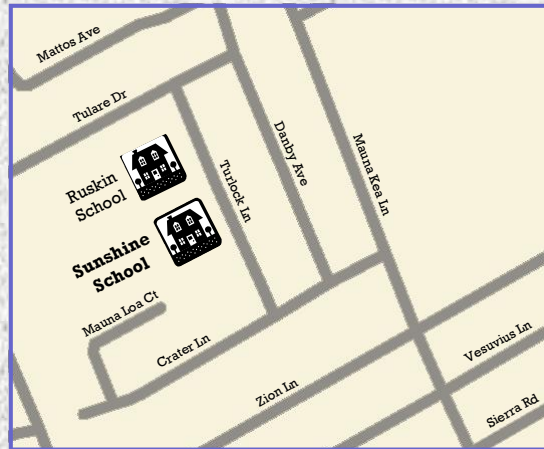

Welcome to Sunshine School! Our After-School program provides children in kindergarten through eighth grade with the opportunity to engage in meaningful relationships with other children and staff. Our programming and supportive environment encourage children to participate in activities and experiences planned to benefit them academically, emotionally, physically, and socially.

Special emphasis is placed on establishing a child's self-esteem and confidence. We do this by designing our programs to cover a wide range of age-appropriate activities that foster our core character values: caring, honesty, respect, and responsibility.

Sunshine programs strive to support and strengthen family relationships and provide a sense of community with their families. We serve all children and families across our community.

Sunshine is simply a great place for bright minds with bright future.

Sunshine After School is conveniently located inside and next to Ruskin Elementary School.

SUNSHINE AFTER SCHOOL PROGRAM

Sunshine School

Sunshine School is committed to providing a safe and nurturing environment that allows each child to develop a healthy spirit, mind, and body.

Our philosophy in the After School program is to create a friendly, supportive atmosphere where children feel encouraged to develop new skills, enhance old talents, and establish positive, lasting relationships with peers and staff.

Staff

Our Staff is chosen for their sensitivity, dedication, and love for children. Each day, we bring experience and extensive training to Sunshine, providing your child with quality programming, guidance, and character development.

Staff are required to attend regular trainings so that they are equipped to provide enthusiastic, top-quality care to each child and to be sensitive to each child's individual strengths and needs.

Regular Programming

Our after school program offers a variety of activities designed to help children enhance skills and discover new talents in a positive environment.

Academically, we offer **Homework Assistance, Math, Phonics, English Reading and Writing, Chinese Language and Culture, Character Development, and Computer Literacy.**

While gym activities such as **Basketball, Handball, and Soccer** encourage physical fitness, students can also get their creative juices flowing with **Art** projects and **Drama Play.** Structured and non-structured group activities and a **Healthy Snack** are also provided.

Enrichment Classes

Students with special interests can enhance and extend their experience by enrolling in our enrichment programs at a reduced rate. These programs are taught by professional instructors. Current offerings include:

- Clay Art
- Dance
- Soccer
- Reading
- Writing
- Chinese
- Music
- Chess
- Western Drawing
- Swimming Lesson (Summer)

We don't charge registration fee. To enroll, simply complete this form and pre-pay a deposit for the amount of one month's tuition. This amount is non-refundable and is used toward your LAST month's tuition.
