

Brought to you from the

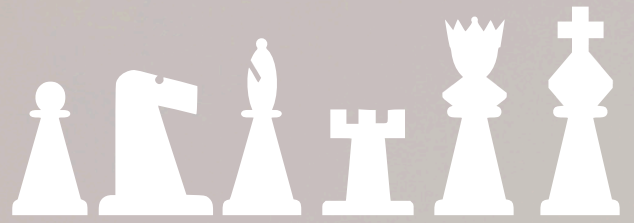

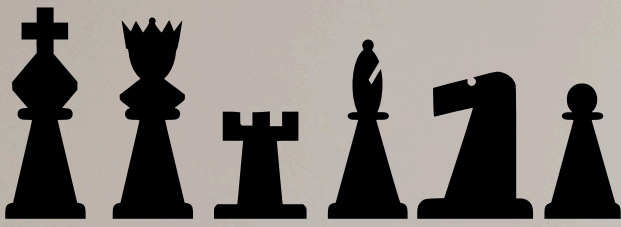

ART SCHOOL  
of San Francisco Bay

# ART FUNDAMENTALS

- This course intends to teach important art fundamentals using common art materials to kids of various levels.
  - Each lesson covers an important art concept, needed for fluent representational drawing and painting.
  - Combined with a 2-3 minute intro to a cultural phenomenon: a style, an epoch, or a single artist.
  - Students get to create their original artworks from scratch within the guidelines of the topic.
  - Each topic can be adjusted to a variety of levels, from beginners to advanced.
- Course materials include acrylics, watercolor, clay, pastels, and many more!

# CHESS CLASS

Sunshine School has teamed up with the Castle Chess Program to host fun and exciting chess classes for all ages. Castle Chess is made up of long time passionate chess teachers with years of experience!

The program is for beginners and intermediate chess players alike!

Learn the essentials of chess tactics, strategic planning, and friendly competition through easily digestible modules/lesson plans.

# Clay Art Class

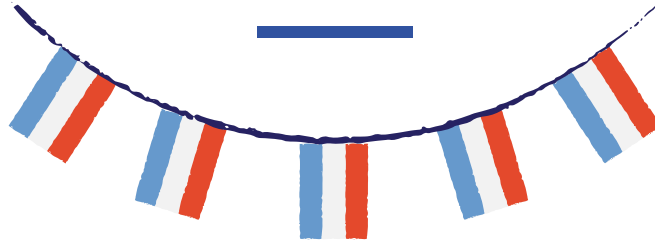

**Brought to you from Clay Magic House!**  
**Create wonderful works of art using air dry clay!**

**Clay Art Class can help expand your child's motivation for thinking and creativity, develop their sensory and motor skills, builds self-esteem and self-expression, problem solving, and provides a calming effect through hands-on creations!**

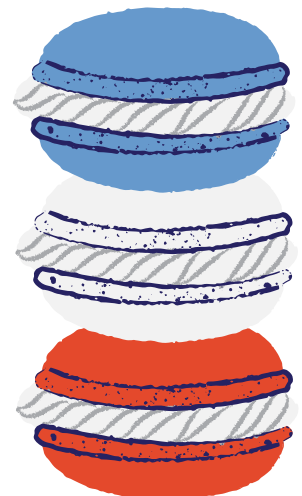

# French Class

The French Class will be a beginner's introductory class. The goals for this semester would be:

- Introduce students to the basics of the French language, including greetings, colors, numbers, and simple phrases.
- Foster cultural awareness through age-appropriate activities and discussions about French traditions and culture.
- Provide an inclusive, engaging, and interactive learning environment for students.

The structure of this class would incorporate songs, games, and visual aids, and it would align with the program's mission to provide enriching learning experiences for our students.

# HIP HOP DANCE

StepOn3 Hip Hop classes are designed to introduce children to the exciting world of hip hop dance.

Students will learn foundational moves, rhythm, and coordination in a fun and energetic environment, while building confidence and expressing their creativity.

Students will get to showcase their talents at our Annual Halloween Talent Show in October!

# KUNG FU CLASS

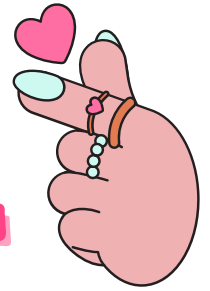

**Students will learn and practice the basics of Kung Fu,  
which will teach the students:**

- Techniques and principles of Kung Fu
- Achieve physical stamina and agility
- Natural, fluid body-mechanics
- Variety of stances, kicking and striking techniques
- Coordination of stepping, blocking, striking and kicking

## **Benefits of Kung Fu:**

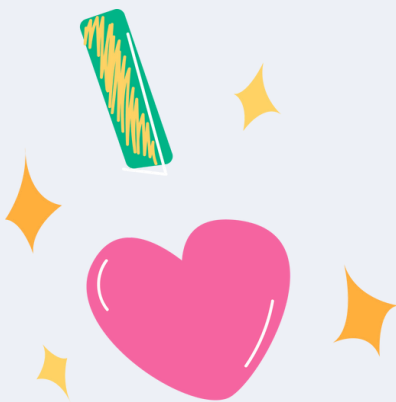

- Enhances self discipline
- Increased confidence
- Improves focus, concentration, patience, and respect
- Increases flexibility, strength, and balance

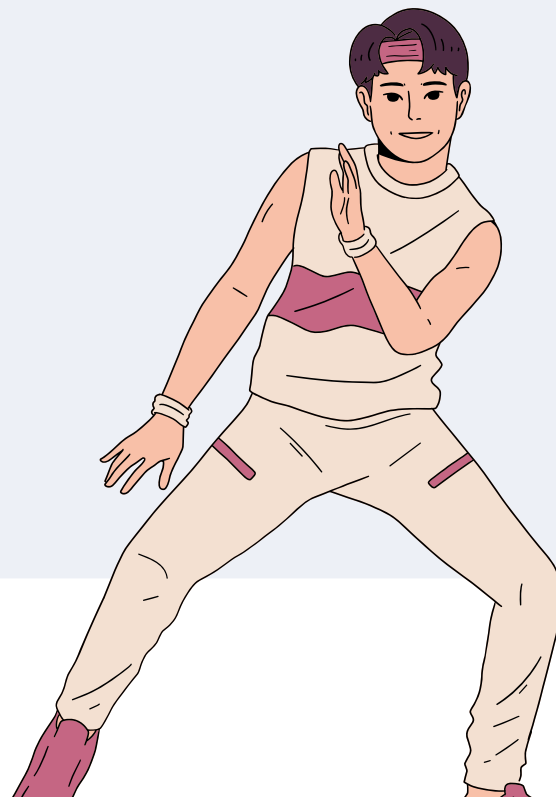

# K-POP DANCE

This K-pop class is designed for a variety of ages and skill levels to learn fun, exciting, and viral K-pop classes originating from Korean Idols! Be prepared to learn commercial choreography from popular groups such as BTS, Blackpink, LE SSERAFIM, BABYMONSTER, and Stray Kids, as well as global sensations like KATSEYE and the brand new Netflix Movie: K-pop Demon Hunters!

- Beginners can expect to learn fundamental dance techniques like body control, footwork, and transitions.
- Classes focus on learning and mastering the specific dance moves and formations from popular K-Pop songs.
- K-Pop dance is a form of cardio, helping to improve physical fitness, balance, and coordination.

# MANGA & COMIC

## ENRICHMENT ART PROGRAM

Explore the exciting world of Comic & Manga art!

Learn to draw people, animals & imaginary creatures, master gestures and emotions, draw landscapes and buildings in perspective, create your own universe and make your own comic book!

**GRADES 3 - 8**

We boost children's creativity and help get their skills to the next level

# READING CLASS

Objective: To enable students to become fluent readers through use of strategies. (For kindergarten, to enhance young readers' fluency through phonics reinforcement.)

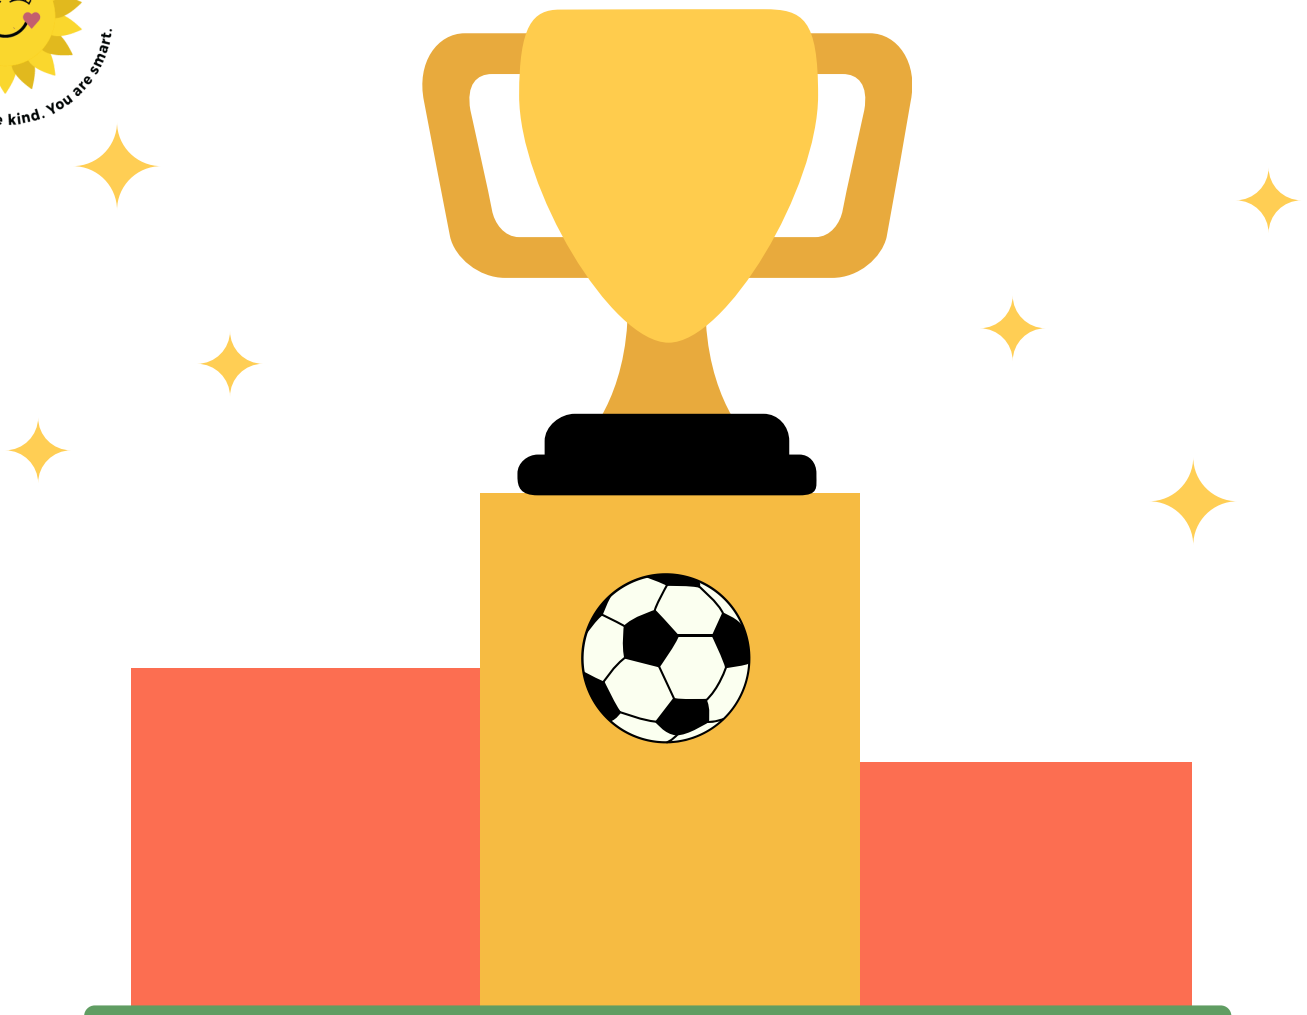

Students will participate and learn:

- Oral reading with expression
- Vocabulary knowledge (next grade up)
- Comprehension skills

Provided materials and instruction may include:

- Selected novels, fiction and non-fiction essays, poetry, songs, newspaper and magazine articles
  - Worksheets on new vocabulary (For kindergarten)
  - Story time – focuses on sharpening listening skills, discussion, and story comprehension
  - Short passage – targets new words and meanings
  - Passage Questions – introduces early writing skills
- A placement test may also be given to assess student's reading level, at the discretion of the teacher.

# SOCCER CLASS

Why play soccer?

- It's fun!
- Keeps your child fit and active
- Helps build stamina, agility, and team work
- Teaches cooperation and discipline
- Expands social skills, self-confidence, and leadership
- Encourages healthy competition

Classes are structured with a combination of skill demonstrations, games, and instructional scrimmages, ensuring a well-rounded learning experience.

# Spanish Class

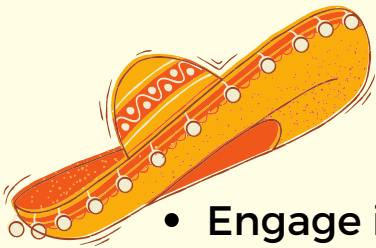

---

**THROUGH FUN ACTIVITIES, GAMES, AND IMMERSIVE EXPERIENCES, STUDENTS WILL DEVELOP A SOLID FOUNDATION IN BASIC SPANISH COMMUNICATION.**

## Class Highlights:

- Students will be surrounded by Spanish from the start, cultivating a natural understanding of the language
- Hands-on activities like role-playing, crafts, and games keep lessons dynamic and entertaining
- Explore diverse Hispanic cuisines, learning about traditional dishes and their significance
- Lessons are tailored to suit different age groups, ensuring age-appropriate content and challenges

## LEARNING OBJECTIVES:

- Engage in simple conversations using everyday phrases
- Count and perform basic arithmetic in Spanish
- Describe common objects, colors, and animals
- Express likes, dislikes, and preferences in Spanish
- Navigate common scenarios such as greetings, ordering food, and asking for directions
- Gain an appreciation for Hispanic culture through stories, songs, and traditions

# WRITING CLASS

**Objective:** To strengthen students' writing skills by learning the fundamentals and more.

**Class instruction will focus on:**

- Proper sentence structure
- Various types of sentences
- Paragraph organization
- Different kinds of paragraph & essay writing
- Standard writing conventions

Students will be given weekly writing assignments as homework and are expected to turn it in the following session.
